Dear Sirs

PROPOSED DWELLING – LAND AT 2 AND 4 HILLTOP CAWTHORNE – APPROVAL NO 2006/0972

Please find enclosed 3 copies of revised drawing 36/20/W2D. We look forward to receiving minor amendment approval for the gateway adjacent no 6 Hilltop. The gate is in the same position as the original gateway to no 4 Hilltop. We have been informed by the applicant (Mr J Lees) that the deeds to no 4 Hilltop refer to the neighbour having right of access down between the properties where a track previously existed. It is accepted that the gateway will be kept locked and will only be used for maintenance purposes by no 6 Hilltop.

Yours faithfully
