Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Description

Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s)

Proposal to reroof two portions of the Cannon Hall Museum building, including the central block and lower flat roof portion to the south east of the main structure in lead with perimeter ventilation. Thermal upgrade to roof voids by laying breathable sheepswool insulation above the attic ceiling joists in these areas. Existing roof access stair housings are to be re-clad in lead. Three failed conical rooflights are to be replaced with double glazed examples to match the existing. Removal of an existing protective polycarbonate roof above an internal courtyard and its replacement with a protective grill, also stonework repairs and repointing to the internal walls. Minor repairs to stonework on the central block including balustrading, cornicing and chimneys with the two concrete chimney caps replaced in stone. Rainwater goods to be overhauled in the re-roofed areas and new lighting as M&E drawings.

Details of the pre-application advice received

The applicant (BMBC) is the local authority. Additionally, there has been ongoing discussion with the BMBC Conservation Officer (Anthony Wiles) throughout the design process, including multiple site meetings and advanced viewing of the LBC documentation. The CO's comments have been incorporated into the provided documentation. Prior informal advice has been sought regarding the replacment of the rooflights, replacement of the sarking boards and the extension of the stair housing.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☒ Yes
☐ No

If yes, please provide details of their name, role, and how they are related:
