

Continued

There is also the problem of falling branches. We require that the trees be cut down or at least thinned out, we were told that the trees would be maintained regularly. In the 8 years we have lived here no works have been done to the trees whatsoever. These trees are getting bigger every year at some point they will cause major damage to property.

Tree behind
our property
in graveyard.

all these
trees cause issues
for people living on Calabria Grove.
