Background

This statement is prepared to be read alongside a Certificate of Lawful Development planning application for alterations to Ebenezer Building, a former Chapel and Sports/Boxing Club within Cudworth, near Barnsley

Planning & Site History

Prior Approval for conversion of the building to residential use was gained on 22nd November 2022, ref. 2022-0998, and the decision notice is attached at Appendix 1. Details of any previous approvals are unknown at this time.

Condition 3 of the Prior Approval notice states that “any external alterations to the building .. may require separate planning permission,” hence the need for this application.

For specific details of the proposed changes refer existing and proposed elevations, but in summary there are a few additional windows & rooflights proposed, a new sliding folding door and timber cladding to the existing side ‘extension’ part of the building. It is also proposed that existing ‘walled up’ windows to the NE & NW elevations are opened up with new window units installed.
