Dear Georgina,

I send this letter recorded delivery, as there is not much time to the council meeting and I would not like the letter to go astray

Thanks for your email. I understand that the draughtsman, Mr Simon Hall has submitted an amended version of the proposed planning drgs for the Changing Rm, Putting green and Riding Stables at Burntwood kitchen garden, however as I would like to be sure that all the planning requirements are correct, I ask if you would withdraw the application if the drgs do not meet your recommendations.

G E Rook
