

Terms and Conditions

Electric cables and/or overhead line information shown on the record plans are to be used in accordance with the Health & Safety Executive's Booklet HS(G)47, "Avoiding Danger from Underground Services" and Guidance Note GS 6, "Avoidance of Danger from Overhead Electric Lines". Record plans do not always show out of commission cables or service cables from Northern Powergrid's mains to adjoining or cross road properties. Plans do not show local authority owned public lighting or sign cables. The information is provided as a service by NorthernPowergrid and does not impart any legal obligation on their part. Persons using it are reminded of their responsibility to execute works safely to avoid damaging Northern Powergrid's apparatus.

Further advice or assistance is available from the Records Information Centre on 0191 2294296

In an emergency or outside normal working hours contact our customer information centre on 0800 668877

Cable depths shown were correct at the time cables were laid however alterations to ground levels or cable disposition may have taken place.

Legend:

- |                               |            |
|-------------------------------|------------|
| <b>Underground Cables:</b>    |            |
| 132kV                         | 20kV       |
