The Proposed Building

Please indicate which of the following are involved in your proposal

- A new building
 An extension
 An alteration

Please describe the type of building

Replacement silage pit for two existing silage pits which are over 30 years old, constructed of railway sleepers and girders, which are now rotten and unsafe to fill against. The location of the existing silage pits is the best location for a new cattle building which is required. The new silage pit is proposed adjacent to the more recent third silage pit which is still of good working order

Please state the dimensions of the building
