HEDGING

Hedging plants for both farm and garden situations are available to suit your site and desires. There are so many opinions about what are the right and wrong species and how far apart they should be planted to get a working hedge. We are happy to share our knowledge of species for the job and usual spacing for a single or double row.

HEDGE PACKS

Farm hedging tends to be the traditional hedgerow seen all over the countryside and stretching for miles. The species are usually native types and predominantly Hawthorn. In the hedge packs, the species and proportions are pre determined. These packs are sold in multiples of 10 metres and are based on 6 plants/metre. There are two different packs available, Pack A (one year old, single stemmed plants) and Pack B (two year old bushy plants).

PACK A - ONE YEAR OLD MIX

Hedge pack A offers a common native mix made up from approximately 70% Hawthorn, 20% Blackthorn and a 10% mix of Crab Apple, Field Maple and Hazel. All plants in this pack are one year old and single stemmed with the option of 30-50cm Hawthorn or 50+cm Hawthorn. Being single stemmed makes them easier to handle and plant compared with the two year old Pack B plants.

Plant size	30-50cm	50+cm
Price per metre	£1.14	£1.26
Price per metre inc Hedge start guards	£2.22	£2.34
Price per metre inc spirals and canes	£2.52	£2.64

PACK B - TWO YEAR OLD MIX

Hedge pack B offers a common native mix made up from approximately 70% Hawthorn, 20% Blackthorn and a 10% mix of Crab Apple, Dog Rose, Field Maple, Guelder Rose and Hazel. The Hawthorn plants in this pack are 40-60cm tall, two years old and bushy. These plants will normally get away faster and form a hedge sooner. They are particularly suitable where rabbit guards are not needed.

Plant size	40-60cm
Price per metre	£1.50
Price per metre inc Planetec guards and canes	£3.42
Price per metre inc spirals and canes	£2.88

HEDGE PACKS MUST BE ORDERED IN MULTIPLES OF 10M

NATIVE HEDGE TREES can be purchased at 60-90cm with a Climatic Plus 1.2m x 12cm guard, stake and cable tie for £1.60 each.

Enquiries regarding the DURHAM COUNTY COUNCIL HEDGEROW RESTORATION GRANT or other local grants, please call the office for assistance.
