Dear Sirs

BLACKSTONE EDGE WIND FARM: SUPPLEMENTARY LANDSCAPE AND VISUAL INFORMATION

I have enclosed the supplementary landscape and visual information (technical note) in relation to Blackstone Edge Wind Farm Environmental Statement submitted in January 2008. This supplementary information was produced in response to comments received from Julian Mawson, Barnsley Metropolitan Council and includes additional Cumulative Landscape and Visual Assessment (CLVIA), an additional viewpoint assessment and associated graphics.

If you require any other information lease give me a call.

Yours faithfully

GARY STODART
Senior Consultant, Landscape Architect
