Electricity Act 1989: Overhead Lines (Exemption)(England and Wales) Regulations 2009

It is proposed to undertake the following work that is considered to be exempted from the Electricity Act 1989 by falling within the Overhead Lines (Exemption)(England and Wales) Regulations 2009:

LOCATION: Roughbirchworth Lane, Oxspring, Sheffield S36 8YP

Particulars of proposed development to be completed by Applicant:

As part of essential ongoing maintenance works to the existing low voltage overhead distribution network at the above location Northern Powergrid are required to carry out the works as shown on attached plan number C1074583. The line indicated in blue, which is currently low voltage open wire conductor, is to be renewed with ABC (Areial Bundled Conductor) and the line in green is to be removed. These works are deemed as minor by The Department of Energy and Climate Change and therefore fall within the exemption regulations.

The Council/Authority is requested to indicate that it has no objection to the work being carried out by returning two copies of this Form with the Certificate completed and signed.

Yours Faithfully
