

## What else can we do to make Penistone Leisure Centre better for you?

How to make it better	%	Nos	Suggestions / notes
Better/more advertising - activities, times, prices	8	34	Board up outside with regular things listed, leaflets at the library / poster supermarkets / cafes/ doctors, marketing better / advertise, catchier high street look, closed when visited, website not helpful / better website, look local / radio, letterbox leaflet drops, improve profile on social media and websites, editorial Barnsley Chronicle, interviews with volunteers, open days / use for community events, email newsletter, new to area (6), wasn't sure it was still open, assumed it was for children (2)
More/longer opening times	6.6	28	Daytime (6), Early (2), evening/weekend (4), lunchtimes, later (5), table tennis room / badminton is always busy (2), Times of classes aren't convenient (3)
Be more presentable/ update/ modernise	5.9	25	Cleaner floors, improve signage, remove litter, smelly at skating, hall flatter and smoother for skating with the walls protected so they don't get so scuffed, needs refurb/old fashioned, [Past reputation sticks, out of sight, dark depressing, car park on a bad bend, does it have showers?], yuk (1), heard it is run down (1), better heating (2)
Improve parking	4	17	Bigger, surfacing, one way clearer, parking in correct spaces, lighting, disabled
Update equipment / wider range	2.4	10	Make sure kit is working at all times (3), better table tennis equipment, have to wait for equipment in gym, have more/bigger cones you can skate around, Bike Hire - maybe try electronic bikes, white board to log PR's [?]
Improved showers/ toilets/ changing	2.1	9	Mirror, water fountain, wheelchair accessible
Bigger / expand centre	1.9	8	
Better organisation	1.2	5	Proper membership system (get a card machine), class online booking, schemes to enable sessions to be cheaper if attending more than 3 times/month or a few sessions/wk, [Have a gym and class membership scheme, either monthly or annually, this is what I do at Stocksbridge, pay a monthly fee and for that I get access to certain classes, discounts on others and it includes swimming and the gym], Improve connectivity between the swimming and gym
Help disabled people get to the centre	0.7	3	Find it hard to get out / find suitable facilities (2), Not very mobile and no transport to centre available (1)
Lower price/ affordable	0.5	2	
Community outdoor space	0.5	2	Can the field be incorporated adjacent all weather running cycle track - it's boggy but gets drained
Improve access by bike	0.2	1	Better cycle tracks as it's a busy roads and a narrow pavement
