4 September 2009

Dear Sir

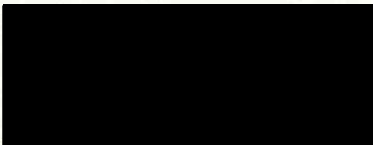

RE 114 HOYLAND ROAD : HOYLAND S74 0AS

Further to the original scheme for a two storey extension to the front of the house ,application 2008 / 1876,which was approved on 21 January 2009 I am now submitting a revised scheme. This consists of a much reduced single storey extension to the front and an additional small single storey extension to the rear.

As before the existing car parking area is to be retained and all the materials used are to match the existing

Please let me know if you require any further information..

Yours sincerely

David Cottam
