
DESIGN AND ACCESS STATEMENT

1.00 Introduction

- 1.01 This statement has been written to support the information submitted as part of the proposals for an application for Planning Permission in relation to the installation of new security fencing at St John The Baptist CE Primary School, Vicarage Lane, Royston, Barnsley, S71 4QY.
- 1.02 The works briefly involve the construction of galvanised steel polyester powder coated dark green fence posts and wire mesh anti climb panels to the perimeter of the school boundary. The proposals include for double access doors for vehicular access and single doors for pedestrian access at existing access points around the perimeter.

2.00 Use

- 2.01 The proposed scheme will be used for educational/ security purposes at St John The Baptist CE Primary School, Royston.
- 2.02 At present, the school site boundary is defined by hedgerow and a number of trees. These will all be unaffected by the proposals with the new security fencing installed behind the existing hedgerow.

3.00 Layout

- 3.01 The existing building will remain unaffected by the proposal and the access routes into the site and building will remain. The proposals will include for new security access gates to all existing vehicular and pedestrian entrances.

4.00 Appearance

- 4.01 The posts and fence will be formed from mild galvanised steel polyester powder coated dark green. The impact on the surrounding area will be minimal as the proposal ensures all existing hedgerow and trees are to remain.
