

**REFUSAL OF PLANNING PERMISSION**

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2012/1313

To Attollo Building Design  
12 Caister Avenue  
Chapelton  
Sheffield  
South Yorkshire  
S35 2ZN

**Proposal Increase height of existing detached garage and extension to hardstanding  
At 17 Byland Way, Monk Bretton, Barnsley, South Yorkshire, S71 2JY**

Permission is refused for the proposals which were the subject of the Application and Plans registered by the Council on 29 November 2012 and described above.

The reason(s) for the Council's decision to refuse planning permission is/are:

*Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.*

- 1 In the opinion of the Local Planning Authority the proposed development is contrary to Core Strategy Policy CSP 29 and Supplementary Planning Document: House Extensions in that the garage would appear as an unduly intrusive feature by virtue of its location, roof design and height, to the detriment of visual amenity.
- 2 In the opinion of the Local Planning Authority the proposed development is contrary to Core Strategy Policy CSP 29 and Supplementary Planning Document: House Extensions in that it would result in an unacceptable loss of outlook and would have an overbearing impact when viewed from the neighbouring dwelling to the north west of the site.

**Informative(s)**

Despite the recommendation for refusal the Local Planning Authority, in pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), have actively engaged with the applicant in dealing with the application. The applicant was informed of the recommendation prior to the decision and was given the option to withdraw the application. Mitigation measures were discussed however a suitable solution could not be reached to satisfy the requirements of the applicant.

Signed *Stephen Moralee*

Assistant Director, Planning and Regulatory Services

Dated 23 January 2013

## **NOTES:-**

### **Appeals to the Secretary of State**

If you are aggrieved by the decision of the Council to refuse permission for the proposed development then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within 12 weeks of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

### **Purchase Notices**

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

### **Compensation**

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
