

- Notes:**
- All dimensions are to be checked on site before commencement of works. Work to figured dimensions only. Do not scale off this drawing. Any discrepancies are to be reported to Hydrock for clarification.
 - This drawing is to be read in conjunction with all relevant Hydrock drawings and specifications.
 - Where buildings and plot layouts are shown these are indicative only for illustrative purposes. The layouts of the development plots will be subject to future Reserved Matters applications.
 - Proposed drainage shown is based on the hydraulic calculations contained within the Drainage Strategy 23451-HYD-XX-XX-RP-D-0003. During construction it may be necessary to adjust cover and/or invert levels to suit site constraints. Any alterations will not adversely affect the performance of the proposed surface water drainage system.
 - Road gullies are shown indicatively and may change subject to detailed design.
