The floor plan illustrates a symmetrical two-story building layout. The overall dimensions are 9890 units wide and 7528 units deep. The plan is divided into two identical units by a central vertical corridor. Each unit contains the following areas:

- Lounge:** Located at the top of each unit, featuring a sofa and a fireplace.
- Kitchen / Breakfast:** Situated on the left side of each unit, containing a dining table and chairs, and a kitchen area with a sink and stove.
- Hall:** A central hallway in each unit that connects the lounge, kitchen, and store areas.
- Store:** A storage area located between the lounge and the hall.
- W/C:** A bathroom located at the bottom of each unit, accessible from the hall.

The plan also shows a central staircase with numbered steps (1-8) and various doors and windows. The layout is symmetrical, with the central corridor acting as a dividing line between the two units.
