REFUSAL OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2020/0930

To Andrew Bates
144A Churchfield Lane
Darton
Barnsley
S75 5EA

Proposal Erection of glass balustrade to form balcony on top of existing flat roof extension and creation of new door to access balcony

At 162 Everill Gate Lane, Wombwell, Barnsley, S73 0YQ

Permission is **refused** for the proposals which were the subject of the Application and Plans registered by the Council on 16/09/2020 and described above.

The reasons for the Council's decision to refuse planning permission are:

1. In the opinion of the Local Planning Authority, the balcony is excessive in size and is located in very close proximity to neighbouring residential properties and would result in significant levels of overlooking over these properties and an increase in noise and disturbance to residents. In turn, the proposed development would have a significant detrimental impact upon the residential amenity enjoyed by neighbouring properties, particularly nos. 158 and 160 Everill Gate Lane and is contrary to Local Plan Policy GD1: General Development, SPD: House Extensions and Other Domestic Alterations.

2. In the opinion of the Local Planning Authority, the proposed balcony is not in keeping with the surrounding area and is an uncharacteristic addition to the dwelling, contrary to Local Plan Policy D1: High Quality Design and Place Making, SPD: House Extensions and Other Domestic Alterations and paragraph 130 of the NPPF which states that 'permission should be refused for development of poor design that fails to take the opportunities available for improving the character and quality of an area'.

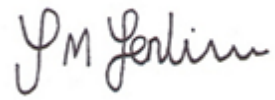

Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.

Please be aware that the Council monitors construction sites and open land within the vicinity such sites in an attempt to prevent fly tipping (i.e. unauthorised deposit of waste on land), which is illegal under the Environmental Protection Act 1990. The penalties for fly-tipping can include:

- *a fine of up to £50,000 and*
- *up to six months imprisonment on conviction.*

Therefore, if necessary, please ensure that all demolition waste and waste associated with the construction of the approved development is disposed of via approved methods and that documents are retained to prove this.

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

As this is a decision to refuse planning permission for a householder application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
