Reference; Proposed Dormer Bungalow to rear of 2, St. Lukes Way, Monk Bretton,
Barnsley S71 2HB for Mr M.Bloomfield. App No 2010/0002

Yorkshire Water Sewer within 3metres ref; L000118 dated 28th January 2010

Dear Sir/

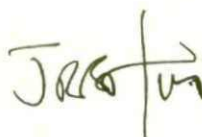

Please find for your comment and file ;position sive of sewer crossing the rear of the above site @ approx 4m depth.

Corrective Foundation design being to build the proposed Bungalow on a concrete raft or beam and pile construction and therefore not causing any further positive loading to the 150 dia foul sewer.

I trust such meets with your approval and therefore close awaiting your valued early attention.and comments

Yours Faithfully

Mr.J.R.Bates
