

Supporting Statement from the Family at 64 Strafford Walk, Dodworth, S75 3RB

To Whom It may Concern

We wish to demolish our existing garage and rebuild into suitable living accommodation for my parents who are now approaching their seventies. They currently reside in a three bedroomed detached bungalow at 25 Vernon Road S70 5BE and have lived there for the past 34 years. As a family we are very close and this proposed new accommodation would provide them with safety, security and wellbeing in their later years. My husband and I also have an 11-year-old son who in the future will also require a place to live. This proposed development is for our own exclusive use, we are not property developers or speculators, the new annexe would not be available for rent, lease or sale and would remain part of the existing house.

Kind Regards

Dr. Caroline Kendrick
