Dear Sir,

In reference to proposed plan. 2016/0175.  
The erection of two apartments above  
the two shops will greatly affect the  
amount of natural light coming into my  
home

There is no information about what  
type of retail shops will be opening  
at these premises and if they are going  
to be takeaway establishments this will  
cause a lot of disturbance and  
inconvenience to members of my  
household with the late opening and  
parking

Yours faithfully

Mrs J. Poole  
(JUNE POOLE)
