

## PLANNING CONSULTATION RESPONSE

<b>Application No</b>	2026/0051
<b>Proposal</b>	Erection of a two-storey side/rear extension to existing hair salon
<b>Address</b>	2A - 4A Eldon Street North, Barnsley, S71 1LF
<b>Date of Consultation Reply</b>	10 <sup>th</sup> March 2026
<b>Consultee</b>	Highways DC

### Consultation Assessment and Justification

The proposals seek to erect a two-storey extension to the existing hair salon, increasing the floorspace by 91m<sup>2</sup> from 104m<sup>2</sup> to 195m<sup>2</sup>. This would also allow for an increase in staff numbers with an additional 5 full-time employees and 1 part-time employee being proposed.

The site has no existing off-street parking provision, and none is proposed. However, the salon is situated in a very sustainable location, within Barnsley town centre, and is within very close proximity to the Interchange (less than 200m) as well as pay and display car parks.

In view of the above, I do not wish to raise an objection from a highways development control perspective.

**NO OBJECTION**

#### **Consultation Suggested Conditions:**

No specific highways related conditions are deemed necessary.

#### **Consultation Informative:**

The applicant/contractor should note that to deposit mud/debris on the public highway, or anything which may cause a nuisance or possible danger to road users, is an offence under provisions of the Highways Act 1980.
