**TOWN AND COUNTRY PLANNING GENERAL DEVELOPMENT ORDER SCHEDULE 2, PART 24; PRIOR NOTIFICATION PROCEDURE.**

**APPLICATION NO:** 2011/0971

**PROPOSAL:** Siting of single BT telecommunications cabinet. (Prior Notification)

**LOCATION:** Land to the side of 33 Victoria Road, Barnsley, S70 2BG

I have received the forms and plans which you have submitted in connection with this application.

After examining the details of works which you propose to carry out, I am of the opinion that it is "permitted development" under the Town and Country Planning (General Permitted Development) Order 1995, and consequently prior approval is not required for the siting or design of the proposed telecommunication equipment cabinet.

Yours faithfully

Stephen Moralee
