#### **Consultation Informative(s):**

If any unrecorded routes have been used unchallenged by the public for 20+ years, or for a lesser period under common law, those routes may have acquired public access rights. Members of the public may apply to have such rights formally recorded and if an application is made, the Council has a legal duty to research the claimed rights and reach a decision based exclusively on the available evidence about the status of the claimed routes. If such an application is made and accepted, the route would have to be accommodated within any development proposals. If the applicant has questions about any unrecorded routes, they should contact [publicrightsofway@barnsley.gov.uk](mailto:publicrightsofway@barnsley.gov.uk) to discuss.
