Dear Madam

APPLICATION NO: 2011/0241

DESCRIPTION: Extension of existing distribution warehouse (Use class B8) relocation of facility related car park and provision of additional service yard area.
(Adjoining Authority Consultation)

LOCATION: Next PLC, Brookfields Drive, Manvers, Rotherham, S63 5DF

Essentially no objections were made to this application, however comments were forwarded directly from Barnsley MBC Highways DC department, along the lines of:-

...The issue regarding the route of the vehicles towards Doncaster and the low bridges does not appear to have been resolved, but it is unlikely that they would all come to the BMBC network if they couldn't negotiate the bridges, some would find their way through Swinton which is RMBC, it would probably not be significant enough to warrant refusal anyway...

Yours faithfully

Stephen Moralee
