

GRANT OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2025/0155

To Hirst Architects RIBA Chartered Practice
60A Eldon Street North
Barnsley
S71 1LQ

DESCRIPTION 2 storey side extension, and new door to rear of dwelling.
LOCATION 6 Briar Grove, Brierley, Barnsley, S72 9EF

Permission is **granted** for the proposals which were the subject of the Application and Plans registered by the Council on 04/04/2025 and described above.

The approval is subject on compliance with the following conditions:

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.
Reason: In order to comply with the provision of Section 91 of the Town and Country Planning Act 1990.
- 2 The development hereby approved shall be carried out strictly in accordance with the plans (Nos.HA-250201- 6 Briar grove - Proposed Plans, Block Site Plan and Location Plan (1:100, 1:50, 1:200, 1:1250)) and specifications as approved unless required by any other conditions in this permission.
Reason: In the interests of the visual amenities of the locality and in accordance with Local Plan Policy D1 High Quality Design and Place Making.
- 3 Before the development is brought into use, that part of the site to be used by vehicles shall be surfaced in a bound permeable material and adequate measures shall be so designed into the proposed access to avoid the discharge of surface water from the site on to the highway.
Reason: To ensure adequate provision for the disposal of surface water and to prevent mud/debris from being deposited on the public highway and to prevent the migration of loose material on to the public highway to the detriment of road safety.
- 4 The gradient of individual vehicular accesses/driveways shall not exceed 1 in 20 as measured from the edge of adjacent carriageway.
Reason: In the interests of the safety of persons using the access and users of the highway.

- 5 Boundary treatments to the front of the plot shall be set at a height no greater than 900mm above the level of the near side channel line of the public highway to ensure the visibility thus provided shall thereafter be maintained as such.
Reason: To maintain visibility in the interests of the safety of persons using the access and users of the highway.
- 6 When the proposed (replacement) access has been constructed the existing access shall be permanently closed in a manner to be approved by the DPA.
Reason: In the interests of road safety

Informative(s)

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, and otherwise actively engaged with the applicant in dealing with the application in a positive and proactive manner.

- 1 The granting of planning permission does not in any way infer that consent of the landowner is given. Therefore, the consent of all relevant landowners is required before proceeding with any development, including that of the Council as landowner.

If it should transpire that the applicant does not own any of the land included in this consent, then it is the responsibility of the applicant to seek all necessary consents and approvals of the landowner.

- 2 The development hereby approved includes the creation of/carrying out of alterations to vehicular access (es). You are advised that before undertaking work on the adopted highway you will require a Section 184 licence from the Highway Authority. The works shall be to the specification and constructed to the satisfaction of the Highway Authority. Fees are payable for the approval of the highway details, and inspection of the works. Further information and an application form are available on the BMBC website at <https://www.barnsley.gov.uk/services/roads-travel-and-parking/parking/dropped-kerbs/> or please contact at email Streetworks@barnsley.gov.uk or call to 01226 773555.
- 3 The development hereby approved includes the demolition of existing buildings. You are advised that before undertaking any demolition, you may require a demolition licence from the Highway Authority. Please be aware that works shall be to the satisfaction of the Highway Authority and if you start demolition work without the appropriate licence, you may be prosecuted. Fees are payable for the approval of demolition, and you will be issued with a Section 81 notice prior to commencing work. Further information and an application form are available on the BMBC website at <https://www.barnsley.gov.uk/services/planning-and-buildings/building-control/get-permission-to-demolish-a-building/> or please contact at email demolition@barnsley.gov.uk or call to 01226 773555.

Please be aware that the Council monitors construction sites and open land within the vicinity of such sites in an attempt to prevent fly tipping (i.e. unauthorised deposit of waste on land), which is illegal under the Environmental Protection Act 1990. The penalties for fly-tipping can include:

- a fine of up to £50,000 and
- up to six months imprisonment on conviction.

Therefore, if necessary, please ensure that all demolition waste and waste associated with the construction of any development is disposed of via approved methods and that documents are retained to prove this.

Signed:

Dated: 22 July 2025

A handwritten signature in black ink, consisting of a stylized 'G' and 'H' followed by a horizontal line.

Garry Hildersley

Head of Planning, Policy & Building Control
Growth & Sustainability Directorate

The grant of this consent does not constitute or imply permission, approval or consent by the Local Authority for any other purpose.

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within twelve weeks of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
