Options

All prices are subject to survey. The given price includes site clearance, footings, brickwork, electrical sockets and lights, plastering and flooring, window frames, roof and all glazing and assembly.

The price **does not** include tiling, decoration, fans, blinds or any other accessories.

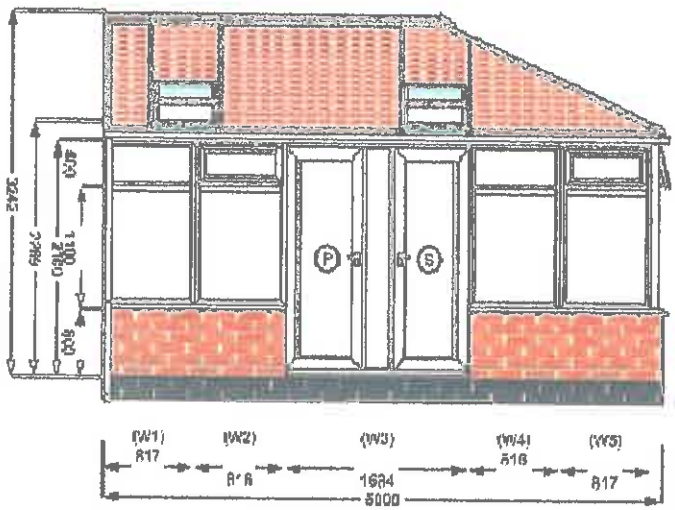

The site will be left tidy after work each evening and on completion all waste materials will be removed from site.

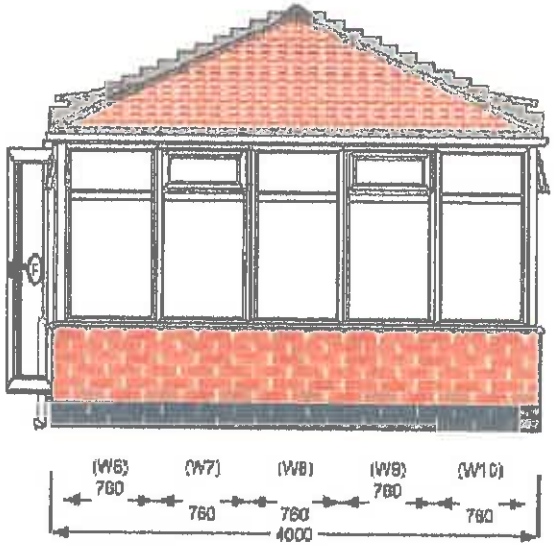

Please note that construction sites are dangerous places and children should not be allowed near them under any circumstances.
