Dear Sir/Madam

**APPLICATION NO:** 2012/0650  
**DESCRIPTION:** Installation of roof mounted sub 4KWp solar PV array.  
**LOCATION:** Ponds Farm, Pond Common Lane, Snowden Hill, Sheffield, S36 8YR,

I have received the forms and plans which you have submitted in connection with this application.

I can confirm that the proposed solar panel installation at Ponds Farm, Oxpring does not require planning permission.

Although permitted development rights have been removed by condition on a previous permission, that removal relates to extensions and alterations permitted under Class 1 of Schedule 2 of the GPDO 1995 (as amended). The installation of solar panels are considered under Part 40 of Schedule 2 of the same order, and therefore permitted development rights for micro generation equipment have not been removed

If you require any further assistance please feel free to contact me on the details above.

Yours faithfully

*Stephen Moralee*
