Dear Sir/Madam,

**Barnsley District General Hospital, Gawber Road, Old Town, Barnsley – (BARN) Installation of 2no. liquid oxygen storage vessels with vaporisers for medical gas use with associated security and screen fencing and artwork**

Thank you for consulting Yorkshire Water regarding the above proposed development. We have the following comments:

**Waste Water**

**Yorkshire Water objects to the application due to lack of submitted drainage information.**

Presumably surface water drainage is to discharge to the existing surface water sewerage network, with no change to the existing impermeable area – Please could the developer confirm this.

Yours faithfully

**Reuben Thornton  
Developer Services Team**
