

Technical drawing of a rectangular plate with dimensions and internal features. The overall dimensions are 480 (height) and 430 (width). The plate has a central rectangular area divided into four smaller rectangles by a cross. The central area is 45 (width) and 45 (height). The outer frame is 45 (width) and 45 (height). The plate is shown in a perspective view, with the top and bottom edges labeled with dimensions 480 and 430 respectively. The central area is labeled with dimensions 45 and 45. The outer frame is labeled with dimensions 45 and 45. The plate is shown in a perspective view, with the top and bottom edges labeled with dimensions 480 and 430 respectively. The central area is labeled with dimensions 45 and 45. The outer frame is labeled with dimensions 45 and 45.

Frame Material - Softwood
Frame finish - White paint
Glazing - 10mm double glazed pains
All dimension in mm

Technical drawing of a window frame showing front, side, and top views with dimensions.

Front View (Top): Shows a rectangular frame with a width of 480 and a height of 20. The frame is divided into four equal rectangular panes by a vertical muntin and a horizontal muntin.

Side View (Bottom): Shows the profile of the frame with a total height of 430. The frame is divided into four equal rectangular panes by a vertical muntin and a horizontal muntin. The height of each pane is 32.5.

Top View (Right): Shows the frame from above with a width of 49 and a height of 58. The frame is divided into four equal rectangular panes by a vertical muntin and a horizontal muntin. The width of each pane is 32.5.

Frame Material - Aluminium EL49 Casement
Frame finish - White powder coat
Glazing - 24mm double glazed panes (4mm Diamant / 16mm Argon
(90%) / 4mm Planitherm Total + / Swiss Spacer V)
All dimension in mm
