SCALE

100M

FROM SUNDAY 20 MAY, WE'LL BE REVISING A NUMBER OF OUR BUS SERVICES IN BARNSELY, THE DEARNE VALLEY, DONCASTER AND ROTHERHAM.

Here's an area by area summary of the major service improvements:-

BARNSELY HOSPITAL

92, 93 and 95 combine to provide buses every 15 minutes between Barugh Green, Barnsley Hospital and Barnsley Interchange.

DARFIELD

New half hourly services 218 (old 79) from Barnsley to Rotherham and 219 (old 212) from Barnsley to Doncaster will be introduced to improve reliability and travel opportunities to and from the Dearne Valley. Combined services 218 and 219 will provide a bus every 15 minutes between Darfield, Ardsley and the new Barnsley Interchange.

Service X19 will serve all stops on Saltersbrook Road in Darfield. Good for that quick trip to Barnsley or Doncaster.

Services 68 and 69 will be revised and re-routed to improve reliability, providing a bus every 30 minutes to Wombwell. Old services 78, 79 and 212 will be withdrawn.

GOLDTHORPE

Between Goldthorpe and Barnsley, the X19 and new service 218 will run direct to Barnsley, three times an hour.

Doncaster can also be reached up to four times an hour on the 74, X19 and the new service 219.

Revised timetables on the 219 and 226 will provide improved links between Goldthorpe, Thurnscoe and Great Houghton.

GREAT HOUGHTON

A new, half-hourly service 219 (old 212) will be introduced between Barnsley, Darfield, Great Houghton, Thurnscoe, Goldthorpe and Doncaster.

Service 226 from Barnsley to Thurnscoe via Wath and Manvers will also be extended beyond Thurnscoe to Great Houghton, providing many new links.

Service 68 to Wombwell and Barnsley will be revised and re-routed to improve reliability still providing an hourly service. Old services 78 and 212 will be withdrawn.

GRIMETHORPE

Services 35, 36 and 37 combined will provide a bus every 15 minutes between Grimethorpe and Barnsley.

Service 36 will serve the Michaels Estate and Nancy Crescent, whilst service 37 will continue to serve Windmill Avenue.

The 35 will run every 30 minutes to Hemsworth and Pontefract. Service 36 will provide an hourly service to South Kirkby and South Elmsall. Old services 38, 211, 244 and 247 will be withdrawn.

HEMSWORTH, SOUTH ELMSALL, UPTON & PONTEFRACT

New service 35 will provide a half hourly service between Barnsley Interchange, Cudworth, Shafton, Grimethorpe, Hemsworth, Fitzwilliam, Ackworth, Purston and Pontefract replacing old services 244, 245 and part-replacing services 248 and 249.

New routes 46 and 47 will provide a half hourly service between Barnsley Interchange, Cudworth, Shafton, Hemsworth, South Elmsall, Upton and Pontefract replacing old services 246, 247 and part-replacing services 248 and 249.

HOYLAND & ELSECAR

A new route 66 will be introduced (replacing the old service 325) and will run every 10 minutes with a new timetable to improve reliability.

Services 60, 61 have been combined into a new route 60.

Service 67 will now also serve Corton Wood.

Service 39 will be withdrawn but will be replaced by revised route number 7.

227 will no longer run between Hoyland and Barnsley but will continue between Hoyland and Rotherham.
