Dear Sirs

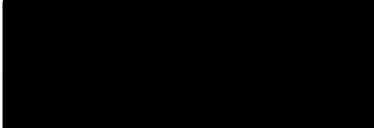

Re: Proposed Alterations and Extensions, 1 Mayberry Drive, Silkstone, Barnsley

I am enclosing the relevant copies of plans and forms together with our clients' cheque in the sum of £150.00 in support of our application for detailed planning consent in respect of the above.

The works involve the part demolition of existing single storey buildings and reconstruction to form a garage, sitting room, games room, gymnasium and changing. They also include alterations to form an en suite bathroom at first floor level, the construction of a single storey conservatory to the rear and sub-division of the rear garden to form a development plot. A separate Planning Application will be submitted for redevelopment of the adjacent garden land.

Should you have any queries or require any further information with regard to these proposals, please do not hesitate to contact this office.

Yours faithfully

MJ Booth
