EXISTING OUTBUILDING - CORRECTED ELEVATIONS

Draft for checking against site photographs and measured survey | Not to scale

FRONT / ENTRANCE (ANGLED CORNER)

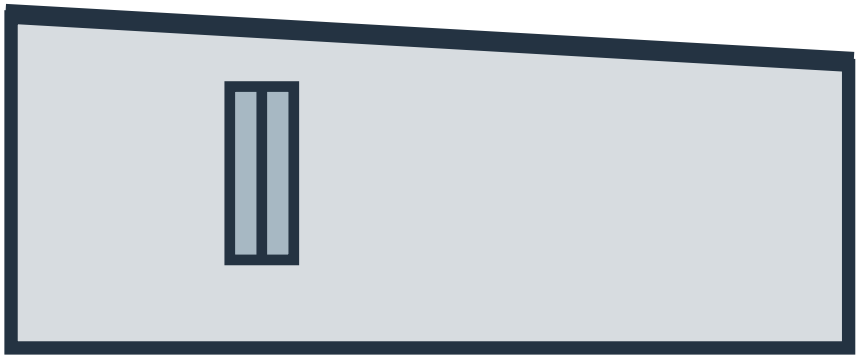

Window | Angled double doors | Window

REAR (BLANK WALL)

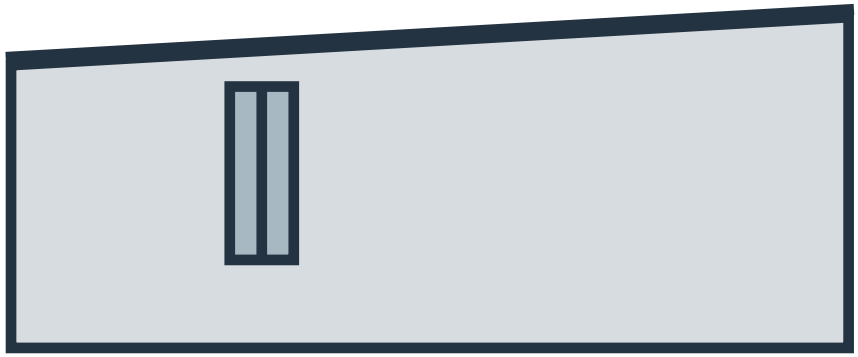

Blank rear cladding

LEFT SIDE ELEVATION

Roof fall and window position: verify on site

RIGHT SIDE ELEVATION

Roof fall and window position: verify on site

IMPORTANT: Diagrammatic elevations only. Corner geometry, roof fall, window locations and heights require verification.

Roof heights from earlier drawing (2.230 m / 1.880 m) are unverified; do not use as surveyed heights.

EXISTING OUTBUILDING - FOOTPRINT REFERENCE

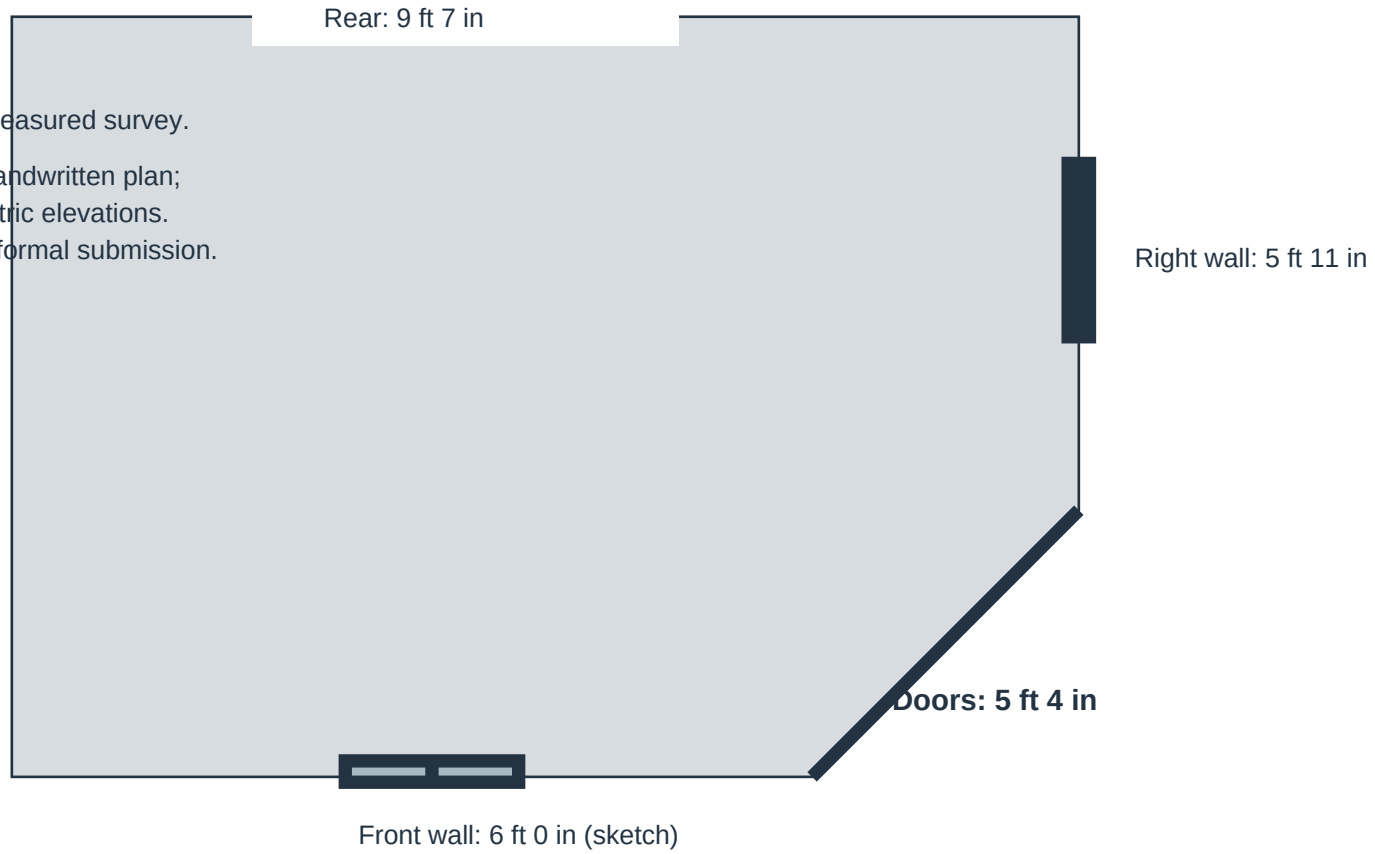

Five-sided outline with dimensions transcribed from your handwritten plan (feet and inches)

Existing garden room

Left wall: 9 ft 7 in

Shape is schematic, not a measured survey.

Dimensions are from your handwritten plan;
not from the superseded metric elevations.
Confirm wall lengths before formal submission.

Property: 22 Grove Street, Worsbrough Dale, Barnsley, S70 4SN

DIMENSIONED REFERENCE DRAFT - not to scale; dimensions and elevations must be verified for planning.
