

REFUSAL OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2025/0237

To JRB Designs Ltd
1 Saville Street
Cudworth
Barnsley
S72 8LT

Proposal Installation of a first-floor rear balcony with side screening and glass balustrade.

At 25 Cloisters Way, Monk Bretton, Barnsley, S71 2JN

Permission is **refused** for the proposals which were the subject of the Application and Plans registered by the Council on 08/04/2025 and described above.

The reason(s) for the Council's decision to refuse planning permission is/are:

- 1 In the opinion of the local planning authority, the proposed development would have an overbearing impact given that the neighbouring property is single storey, attached, at a lower level and has a small rear garden area. Even if the balcony incorporated obscure glazed screening, it is considered that it would give rise to a loss of privacy from its use, particularly from people standing and especially as the neighbouring garden is small and set at a lower level than the application site. The potential activity and disturbance arising from people sitting and moving around on the proposed balcony in such proximity, at a higher level, could be disconcerting to the neighbouring occupants and could impact the ability of the neighbouring occupants to enjoy their rear garden. The height and proximity of the proposed balcony to the neighbouring property and its positioning to the south would contribute to increased overshadowing which would further exacerbate an overbearing impact contrary to Local Plan Policy GD1: General Development and Local Plan Policy POLL1: Pollution Control and Protection.
- 2 In the opinion of the local planning authority, the cumulative impact of the proposed development and existing additions to the application dwelling is considered to further erode the character of the original dwelling significantly, particularly as the balcony would appear as an overtly dominating and alien feature, contrary to Local Plan Policy D1: High Quality Design and Placemaking and the design guidance within the adopted House extensions and other domestic alterations SPD.

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, and otherwise actively engaged with the applicant in dealing with the application in a positive and proactive manner.

Please be aware that the Council monitors construction sites and open land within the vicinity of such sites in an attempt to prevent fly tipping (i.e. unauthorised deposit of waste on land), which is illegal under the Environmental Protection Act 1990. The penalties for fly-tipping can include:

- a fine of up to £50,000 and
- up to six months imprisonment on conviction.

Therefore, if necessary, please ensure that all demolition waste and waste associated with the construction of any development is disposed of via approved methods and that documents are retained to prove this.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him.
