APPLICATION NO. 2010/0234

Tyco Electronics UK Infrastructure Ltd
Glasgow Business Park Baillieston Glasgow G69 6GA United Kingdom

Description: Erection of a 12.75m monopole and installation of an equipment cabinet with ancillary development. (Prior notification)

Land at: St Andrews Square, Bolton Upon Dearne, S Yorks, S63 8BA

Barnsley Metropolitan Borough Council certify that the development/use of the above land **Erection of a 12.75m monopole and installation of an equipment cabinet with ancillary development. (Prior notification)** was not lawful within the meaning of Section 10 of the Planning and Compensation Act 1991.

In the opinion of the Local Planning Authority, the proposed telecommunications equipment, in particular the 12.75m monopole, due to its siting and overall height, would appear as an incongruous and visually prominent feature, in an area of high foot fall, contrary to the advice contained in PPG 8, Telecommunications. In addition, it is considered that there are other, less prominent, sites for the telecommunications equipment within the local area, detailed in the 'Site Specific Supplementary Information' which do not appear to have fully pursued by Vodafone Ltd, contrary to Barnsley UDP Policy UTL5, Telecommunications.
