Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

Various small penetrations through the external fabric (roof / walls) are required to allow the installation of the mechanical systems which will service the new use. These have been located on the least prominent elevations and in locations which are functional in terms of operating the systems which they serve.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

We wish to substitute the previously approved floor plan and elevation drawing references:

C1096 052 & 053 (Demolition & Downtakings)

C1096 201 & 202 (Proposed Elevations)
