

This architectural elevation drawing shows the front facade of a brick house. The house features a gabled roof with a central chimney. The main body of the house is constructed of brick. On the left side, there is a smaller section with a lower roofline and a window. The drawing includes a vertical dimension line on the left side, labeled '1800'. A label 'Soil pipe vent 906' points to a vent on the roof. The drawing is a technical line drawing with hatching for brickwork and a clean, professional appearance.

A2 size sheet

Soil pipe
vent tile

[illegible]

Notes:

FLAT ROOF GARAGE

Floor plan of the 13th floor. The layout includes four bedrooms (BEDROOM 1, BEDROOM 2, BEDROOM 3, and BEDROOM 4), a bathroom, and a staircase. BEDROOM 1 and BEDROOM 2 are on the left side, separated by a wall. BEDROOM 3 is on the right side, featuring a bathtub, toilet, and sink. BEDROOM 4 is at the top center, with a staircase labeled 'DN 13' leading down. The bathroom is located between BEDROOM 2 and BEDROOM 3, containing a toilet, sink, and bathtub. A small area labeled 'Sh' (Shower) is adjacent to the bathroom. The plan also shows various closets and storage areas, including a large closet in BEDROOM 1 and a closet in BEDROOM 3. The staircase is centrally located, providing access to the 13th floor from the 12th floor.
