[illegible][illegible]

The diagram shows a floor plan of a building. It includes a large rectangular room on the left with a square table and four chairs. To its right is a smaller rectangular room with a square table and four chairs. Further right is a long, narrow rectangular room with a long table and six chairs. At the top right is a small square room with a square table and four chairs. To the left of this small room is a larger rectangular room with a square table and four chairs. At the bottom right is a small square room with a square table and four chairs. The entire floor plan is enclosed within a large rectangular boundary.

The floor plan shows a house with the following layout:

- Playroom:** Located at the top right of the plan.
- Kitchen Diner:** A large central area.
- Utility Room:** Located at the bottom right, containing a washing machine (square symbol) and a dryer (cylinder symbol).
- Bathroom:** Located between the Kitchen Diner and the Utility Room, containing a toilet, a bathtub, and a sink.
- Cloak:** A small room adjacent to the bathroom.
- Stairs:** A set of stairs with an arrow pointing 'UP' is located between the Lounge and the Kitchen Diner.
- Lounge:** Located on the left side of the plan.

The floor plan shows a rectangular house with a central hallway. On the left side, there is a Lounge and a Kitchen Diner. On the right side, there is a Playroom. A staircase labeled 'UP' is located in the center of the house, with an arrow pointing upwards. The plan also shows various doors, windows, and built-in furniture like a sofa, dining table, and kitchen units.

This floor plan shows a rectangular house with a central hallway. The layout includes:

- Bed 1:** Located in the top-left corner.
- Bed 2:** Located in the top-right corner.
- Bed 3:** Located in the bottom-left corner.
- Bed 4:** Located in the bottom-right corner.
- Bathroom:** One bathroom is located between Bed 2 and Bed 3, and another is located between Bed 1 and Bed 4.
- Hallway:** A central hallway runs vertically through the middle of the house, containing a staircase labeled "Down" and a door labeled "SD".
- Entrance:** The main entrance is located on the right side of the house, near the bottom-right corner.

The floor plan for the second floor includes three bedrooms, a bathroom, and a staircase. **Bed 1** is located on the left side of the plan. **Bed 2** is located in the top right corner. **Bed 3** is located in the bottom right corner. The **Bathroom** is situated between Bed 2 and Bed 3. A central staircase is labeled **Down** with an arrow pointing downwards, indicating the direction to the lower floor.

Existing First Floor

Architectural floor plan of a house with a gabled roof. The plan shows a Utility Room (10.0m x 10.0m) and a Bathroom 2 (3.0m x 3.0m) on the left, and a Bed 4 (3.0m x 3.0m) and a Cloak (3.0m x 3.0m) on the right. The house has a gabled roof with a 150mm overhang. The plan is labeled with dimensions and room names.
