Description of Proposed Works

Please describe the proposals to alter, extend or demolish the listed building(s)

The proposal includes the removal of the existing large "Laura Caddick" signage located on the side elevation of the building. The current service menu signage will also be reduced in size and repositioned to fit appropriately on the existing UPVC door, ensuring the surrounding brickwork remains visible.

The neutral, unlit wrap-around sign for "The Hyde Café", with the existing "Skin and Tonic" signage remaining in place. I will also continue to have all signage professionally cleaned every month to maintain the visual appearance and respect the building's character as I've done for the past 9 years.

No structural alterations or demolition works are proposed as part of this application, and all works will be carried out in a manner sensitive to the building's listed status.
