Conditon 4 -

Our client proposes to plant a combination of Hawthorne and Hazel species (not hazardous to horses) on their side of an existing stone wall which runs along the main A628 Barnsley Road, to provide additional screening of the approved development. Said Hawthorne and Hazel species would be planted during the next planting season (traditionally November to March) and would be maintained at a manageable height. Any of these new plants dying off would be replaced during the next planting season.
