Barnsley Metropolitan Borough Council hereby certify that the development described in the First Schedule hereto, in respect of the land specified in the Second Schedule hereto and edged red on the plan attached to this certificate, would be lawful within the meaning of Section 191 of the Town and Country Planning Act 1990 (as amended), for the following reason:

- The development is determined to be 'established development' immune from planning control in line with the stipulation within 171B (1) of the Town and Country Planning Act (As Amended) in that the development has been substantially completed for a period in excess of four years.

First Schedule:

Notes:

The applicant is hereby made aware that any alterations to the platform or deck which alter its size, height, massing, materials or any aspect of its appearance barring the application of colour may require planning permission.

Please be aware that the Council monitors construction sites and open land within the vicinity of such sites in an attempt to prevent fly tipping (i.e. unauthorised deposit of waste on land), which is illegal under the Environmental Protection Act 1990. The penalties for fly-tipping can include:

- a fine of up to £50,000 and
- up to six months imprisonment on conviction.

Therefore, if necessary, please ensure that all demolition waste and waste associated with the construction of any development is disposed of via approved methods and that documents are retained to prove this.

Signed

Dated 09/06/2021

Head of Planning and Building Control

2. It certifies that the [use] [operations] [matter] specified in the First Schedule taking place on the land described in the Second Schedule [was] [would have been] lawful on the specified date and thus, [was not] [would not have been] liable to enforcement action under section 172 of the 1990 Act on that date.
