

Dear neighbour

We are applying for planning permission to put new signs on the Penistone Community Church building and in the grounds.

We wanted to let you know in advance.

In 2020, Penistone Community Church purchased the building from the Methodist Church. We want to replace and improve the signage to identify the church location and ensure those looking for the building can more readily find it.

You may remember when it looked rather outdated and tired - this was a few years ago.

We have removed the old wooden cross and the name sign seen in the photographs above. They have been replaced temporarily with vinyl banners. Our proposal is to replace these with a fascia sign running the length of the frontage.

This is how it will look after the new signs are fitted. We hope you will agree it will look much better.

Do let us know if you have any comments
