3. Description of Proposed Works

Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s):

The project aims to refurbish the existing entrance portico of a Grade II* listed building and provide a bespoke structural glass solution. This solution aims to replace the tired, inaccessible and heavy timber frame / single glazing with a more 'lightweight' and modern approach. The proposal aims to replace the single glazing with a more secure and accessible entrance housed within the footprint of the existing stone portico. The design will also provide a more secure entrance to the museum and improve security of the museum collections. Refer to the supporting statement for further information.

Has the development or work(s) already started? Yes No
