Is the proposed development reasonably necessary for the purposes of agriculture?

- Yes
 No

If yes, please explain why

The proposed building is to be built our an existing outdoor hardcore bale storage area. Our aim is to reduce using plastic bale wrap. This will help reduce our business carbon footprint. The building will be used to store traditional style unwrapped hay, straw and home grown grain which we have started growing this year. Due to volatile world grain prices over the last couple of years, growing and storing our own grain will allow us to be more sustainable. The building will also be used to store agricultural machinery.

Is the proposed development designed for the purposes of agriculture?

- Yes
 No

If yes, please explain why
