Discussion following proposed advertisements

Date (must be pre-application submission)

Details of the pre-application advice received

There was a discussion about the garage letter's colour and the sign of the roller shutter which wasn't mentioned on the proposal. We have agreed to repaint the garage letter into a subtle ruby red colour and paint out the logo on roller shutter. Regarding the street art under the garage letter at the rear entrance, she suggested a listed building and proposed advertisement consents are required.

Email:

Hi Shaun

I'm on leave next week so I intend to visit the site on 5 September to establish that the garage letters have been repainted and the logo on the roller shutter has been painted out. Can I request an extension of time in which the applications may be determined until 19 September to give me time to write the applications up and have the recommendations considered and the decision notices issued.

Can I clarify that I advised that both listed building consent and advertisement consent would be required for the street art.
