The details shown on this drawing are confidential and the drawing is the exclusive property of Smeeden Foreman Limited. Copyright reserved. No use, copy or disclosure of the drawing may be made without our permission and it is to be returned to Smeeden Foreman Limited when required.

Smeeden Foreman Limited takes no responsibility for the use of this drawing for any purpose other than for that which it was intended. This drawing must be read in conjunction with all other related drawings and documentation.

All dimensions are in millimetres unless stated otherwise. All dimensions should be verified on site prior to commencement of works.

Do not scale from this drawing.

All works including materials must be in accordance with British Standards, EC Standards, Health & Safety at work act & all other relevant regulations & Bye Laws. All products to be used in accordance with the manufacturer's recommendations.

Smeeden Foreman Limited has not checked or verified, and shall therefore not be liable for any inaccuracies which may be attributable to any information provided by third parties that may have been utilised within this drawing.

Any discrepancies should be brought to the attention of Smeeden Foreman Limited.

The locations of above and below ground utilities equipment, if shown, have been reproduced from plans supplied to Smeeden Foreman Limited by third parties. Although care has been taken when duplicating this information, these locations are approximate only. It is the client's or its appointed agent/contractor's responsibility to accurately locate any utilities equipment on site by appropriate means prior to carrying out any mechanical excavation or other relevant operations.
