- WORKS KEY (Level 03 Plan)**
- Existing library roof structure to be removed. New tiered floors to be installed within existing central light-well atrium, forming new atrium featuring multi-levelled Learning Resource Centre (LRC).
  - New entrance steps and platform lift to existing primary west entrance, providing inclusive access into the building.
  - New staircase within atrium, feat. glass balustrades.
  - Existing window cills to be lowered to form new access entranceway to atrium LRC from existing adjacent circulation corridors.
  - New primary lift shaft within atrium.
  - Existing staircase and adjacent stained glass window to be retained.
  - New internal stud walls to encase existing RWP and SVP.
  - Existing buff brickwork to be cleaned and remain exposed internally.
  - Existing internal windows to teaching spaces to be replaced.
  - Existing window cill to be lowered to floor level, featuring new fire rated glazed screen partitions.
  - Glazed balustrades to new atrium floors.
  - New fire doors to be installed to provide fire complementation as per AD Part B requirements.
  - Existing south entrance steps to be altered and extended to allow inclusive access into the building, featuring limestone treads and black metal handrails / balustrades.

B	Updated column positions	13.12.21	DC
