| 1             | The development of phase 2 hereby permitted shall be begun before the expiration of 3 years from the date of this permission. Reason: In order to comply with the provision of Section 91 of the Town and Country Planning Act 1990.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                |                    |        |                                                                                                                                                          |
| 2             | The development of phase 2 hereby approved shall be carried out strictly in accordance with the plans and Arboricultural Impact Assessment and Arboricultural Method Statement (Ecus, Nov 2017) and specifications as approved unless required by any other conditions in this permission. Reason: In the interests of the visual amenities of the locality and in accordance with Core Strategy Policy CSP 29, Design.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |                |                    |        |                                                                                                                                                          |
| 3             | Phase 2 of the development shall not begin until a scheme for the provision of affordable housing as part of the development has been submitted to and approved in writing by the Local Planning Authority. The affordable housing shall be provided in accordance with the approved scheme and shall meet the definition of affordable housing in Annex 2 of the National Planning Policy Framework or any future guidance that replaces it. The scheme shall include:i. The numbers, type, tenure and location on the site of the affordable housing provision as set out on the Planning Layout Phase 2 Drawing (ref: 2238 02 Rev S);<br>ii. The timing of the construction of the affordable housing and its phasing in relation to the occupancy of the market housing;<br>iii. The arrangements for the transfer of the affordable housing to an affordable housing provider[or the management of the affordable housing] (if no RSL involved) ;<br>iv. The arrangements to ensure that such provision is affordable for both first and subsequent occupiers of the affordable housing; and<br>v. The occupancy criteria to be used for determining the identity of occupiers of the affordable housing and the means by which such occupancy criteria shall be enforced. Reason: To meet identified housing need in accordance with Core Strategy Policy CSP 15.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |                |                    |        |                                                                                                                                                          |
| 4             | The affordable housing dwellings shown on Planning Layout Phase 2 Drawing (ref: 2238 02 Rev S ("the Plan")) shall not be used or occupied for any purposes other than affordable housing (as defined in the NPPF) other than:<br>a) any Protected Tenant or any mortgagee or chargee of the Protected Tenant or any person deriving title from the Protected Tenant or any successor in title thereto and their respective mortgagees and chargees;<br>b) any Chargee provided that if the Chargee wishes the affordable housing dwellings to be free from the restriction of use and occupation in this condition it shall first give not less than 30 working days notice to the Council of its intention and if the Council indicates within that period that it believes it can make suitable arrangements to secure the use and occupation of the affordable housing dwellings as affordable housing the Chargee shall use its reasonable endeavours to secure those arrangements<br>c) any purchaser from a mortgagee of any affordable housing dwelling pursuant to any default by the individual mortgagor where Protected Tenant means<br>"any tenant who:<br>(a) has exercised the right to acquire pursuant to the Housing Act 1996 or any statutory provision for the time being in force (or any equivalent contractual right) in respect of a particular affordable housing dwelling; or<br>(b) has exercised any statutory right to buy (or any equivalent contractual right) in respect of a particular affordable housing dwelling;<br>or<br>has been granted a shared ownership lease by a registered provider (as defined by the Housing and Regeneration Act 2008) (or similar arrangement where a share of the affordable housing dweling is owned by the tenant and a share is owned by the registered provider) in respect of a particular affordable housing dwelling and the tenant has subsequently purchased from a registered provider all the remaining shares so that the tenant owns the entire affordable housing dwelling;<br>and Chargee means<br>"any mortgagee or chargee of the registered provider or the successors in title to such mortgagee or chargee or any receiver or manager (including an administrative receiver) appointed pursuant to the Law of Property Act 1925;<br>Reason: To meet identified housing need in accordance with Core Strategy Policy CSP 15. |                |                    |        |                                                                                                                                                          |
| 5             | No construction in the relevant area(s) of the phase 2 site shall commence until measures to protect the 6" water main that is laid within the site boundary, during the construction and operational phases of the development, have been implemented in full accordance with details that have been submitted to and approved by the Local Planning Authority. The details shall include the means of ensuring access at all times for repair and maintenance of the infrastructure by the statutory undertaker. If the required protection measures are to be achieved via diversion or closure of the water main, the developer shall submit evidence to the Local Planning Authority that the diversion or closure has been agreed with the relevant statutory undertaker and that prior to construction in the affected area, the approved works have been undertaken. Reason: In order to protect the public water supply in accordance with CSP40.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                |                    |        | Yorkshire Water Scheme drawing uploaded as part of the Conditions Discharge confirming that all live water mains will be cut off and abandoned. 08.02.18 |
| 6             | Phase 2 of the development shall be carried out in complete accordance with the details shown on the submitted Flood Risk Assessment and Drainage Strategy, Phase 2 Thurnscoe prepared by Queensbury Design Ltd (Report QD814 dated July 2017). Reason: In the interest of satisfactory and sustainable drainage in accordance with CSP3.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                |                    |        |                                                                                                                                                          |
| 7             | The mitigation measures for phase 2 identified in the Ecological Appraisal and shown on the approved landscaping plan(s) shall be implemented in accordance with the approved details. Photographic evidence showing the correct installation shall be submitted to the local planning authority for approval prior to occupation of any dwelling hereby approved. Reason: To conserve and enhance biodiversity in accordance with Core Strategy Policy CSP 36.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                |                    |        | Photos and report required after completion of ecology works.                                                                                            |

| 9             | Application for approval of the matters reserved in Condition No. 6 shall be made to the Local Planning Authority before the expiration of three years from the date of this permission, and the development, hereby permitted, shall be begun before the expiration of two years from the date of approval of the last of the reserved matters to be approved. Reason: In order to comply with the provision of Section 92 of the Town and Country Planning Act 1990.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |                |                    |        | Phase 3                                                                                                                                                  |
| 10            | Full details of the ecological mitigation and enhancement measures for phase 3, including a timetable for their implementation, shall be submitted with the reserved matters application for approval by the Local Planning Authority. The development of phase 3 shall be implemented in accordance with the approved details. Reason: To conserve and enhance biodiversity in accordance with Core Strategy Policy CSP 36.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | Abe            | ECUS               |        | Phase 3                                                                                                                                                  |
| 11            | Detailed plans shall accompany the reserved matters submission for phase 3 indicating existing ground levels for phase 3, finished floor levels of all dwellings and associated structures, road levels and any proposed alterations to ground levels. Thereafter the development shall proceed in accordance with the approved details. Reason: To enable the impact arising from need for any changes in level to be assessed and in accordance with LDF Core Strategy Policy CSP 29, Design.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | Abr            | Queensberry Design |        | Phase 3                                                                                                                                                  |
| 12            | The development (phase 3) shall not begin until a scheme for the provision of affordable housing as part of the development has been submitted to and approved in writing by the Local Planning Authority. The affordable housing shall be provided in accordance with the approved scheme and shall meet the definition of affordable housing in the NPPF or any future guidance that replaces it. The scheme shall include:<br>i. The numbers, type, tenure and location on the site of the affordable housing provision to be made which shall consist of not less than 15% of housing units/bed spaces;<br>ii. The timing of the construction of the affordable housing and its phasing in relation to the occupancy of the market housing;<br>iii. The arrangements for the transfer of the affordable housing to an affordable housing provider[or the management of the affordable housing] (if no RSL involved) ;<br>iv. The arrangements to ensure that such provision is affordable for both first and subsequent occupiers of the affordable housing;<br>v. The occupancy criteria to be used for determining the identity of occupiers of the affordable housing and the means by which such occupancy criteria shall be enforced.<br>Reason: To meet identified housing need in accordance with Core Strategy Policy CSP 15.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | Abe            | KH                 |        | Phase 3                                                                                                                                                  |

|    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |     |                    |  |                                                                                                          |
