Hi Steven,

Many thanks for all the evidence you have sent through. I'm happy that the pond is now not present and further GCN surveys are not required. Please can you ensure you submit all the evidence to the planning portal along with architect drawings showing that the outbuilding is to be retained. For info I've cc'd the planning officer into this email so she is aware of ecology on site.

Kind regards,

Claire

Morning Claire ,
I just wanted to confirm you have received my correspondence relative to the pond and it now no longer being in existence has allowed you to close your request for any further reports as per our telephone conversation last week .
If you could please come back to me that would be appreciated
Best regards Steve
