Electricity Act 1989: Overhead Lines (Exemption) (England and Wales) Regulations 2009

It is proposed to undertake the following work that is considered to be exempted from the Electricity Act 1989 by falling within the Overhead Lines (Exemption) (England and Wales) Regulations 2009:

I enclose a plan showing an existing 66000 volt overhead line which runs from Barugh Primary substation to Smithy Green Primary substation (shown red on the attached plan). As part of our maintenance programme Northern powergrid are proposing to replace 8 H poles due to their age and condition these poles are shown Nos 6,7,9,11,15,16,17 & 18 on the attached plan the replacement poles will be the same structure and size.

The Council/Authority is requested to indicate that it has no objection to the work being carried out by returning two copies of this Form with the Certificate completed and signed.

Yours faithfully

A black rectangular redaction box covering the signature of the applicant.
