Heritage Statement for 39 Hopwood Street, Barnsley

The property in question is a Victorian Semi Detached house that lies on Hopwood Street, Barnsley, within the conservation area. It is stone fronted with brick to both sides and rear. The proposal is to add a small extension to the rear and side to extend the existing kitchen. The rear wall and the existing kitchen roof will need to be removed and replaced to achieve this. Similar materials will be used to build the extension. The new gable will be mainly glass and metal.

The proposed extension will be in keeping with the adjacent extension at No. 37.
